

# WE HAVE EXPANDED!

For many years, Hamilton Meetings & Incentives (HMI) and Spartan Sports Tours (SST) have specialized in providing full-service meetings, event programs, and travel tours. We have an outstanding team of skilled meeting planners, located both domestically and internationally, who are prepared to assist you with any size program, meeting or group. With over 38 years of combined experience, we are expanding into the world of Leisure Travel.

We understand the time it takes to create an itinerary, secure the best hotel deals, research flights for the entire family, must-visit sites, restaurants and etc. We are fully prepared to assist with any request from a long weekend in the continental U.S. to a three-week multi-city experience abroad. The sky's the limit!
